IN THE HIGH COURT OF JUDICATURE OF BOMBAY

CIVIL APPELLATE JURISDICTION

CIVIL APPLICATION NO. 2151 OF 2007

IN

WRIT PETITION NO. 1306 OF 2007

The Mumbai Agricultural Produce Market
Market Committee .. Petitioner

versus

Shankar Laxman Pingale & ors. .. Respondents

...

Mr.C.J. Sawant, Sr. Advocate with N.N. Bhadrashete for the applicant.

CORAM : S.B. MHASE AND
D.G.KARNIK, JJ

DATED : 17th August 2007.

P.C.:

. The period of the present market committee is over. This court has therefore restrained the existing market committee from taking any policy decisions in the matter till the new elections are held. By the present application, the applicant market committee seeks permission to incure expenditure of over 16 lakhs of rupees and renewal of

licence. So far as first relief of incurring of expenditure is concerned, we are not inclined to grant permission to incure such a huge expenditure to the committee whose period has already expired. Hence, that prayer is rejected. As regards prayer clause (b), learned counsel submits that the licence holder has made separate application. That application would be considered separately. Hence, prayer clause (b) is also rejected. Hence, Civil Application is dismissed.
